

## **REALTORS® support Carrie's Kids**

Members and staff of the Bismarck Mandan Board of REALTORS® rallied together to gather over \$2,300 in cash and needed items for homeless children in the Bismarck Public School system. The President of the Bismarck Mandan Board of REALTORS®, Doug Schonert, presented the contribution to Carrie Grosz, the coordinator for Carrie's Kids, at the REALTOR® holiday party.

Carrie's Kids has over 300 Bismarck children on its roster who are in need of life's basics like shelter, food, and personal care items. In making the presentation, President Schonert told Grosz, "We are so appreciative of the work you are doing and we thank you from the bottom of our hearts for taking care of these children. Our organization is pleased to support you in your efforts."
